

CERTIFICATE

CONCERNING FACTORY PRODUCTION CONTROL ACCORDING TO DIN EN 15088:2006, ANNEX ZA

The Certification Body for Structural Metallic Products of TÜV NORD Systems GmbH & Co. KG hereby confirms in accordance with the Regulation (EU) Number 305/2011 of 09 March 2011 that the company

Aliplast Extrusion sp. z o. o.
ul. Wacława Moritza 3
20-276 Lublin
Poland

has been certified with their construction product

Structural products for construction works of aluminium and aluminium alloys

- Materials and dimensions according to the mentioned product standard –

according to regulations of DIN EN 755-1 to -9 ; EN 12020-1 and -2

which was subject to an initial inspection of the products by the manufacturer and that the construction product is subjected to a continuous factory production control.

The Notified Body conducted an initial inspection of the plant and of the factory production control and performs continuous monitoring and conformity assessment of the factory production control.

(Conformity Certification Procedure: System 2+)

The producer is responsible for the usability of the CE-marked structural products acc. to the product standard and the Declaration of Performance (DoP).

Certificate No.: 0045-CPR-1950

Year of initial inspection: 2014

This certificate has been issued in accordance with the Construction Products Regulation and is valid provided the provisions of the harmonised technical specification indicated are complied with and the manufacturing conditions in the plant or the factory production control are not modified to a major degree.
